Chapter 52 - Hey, we took less than 3 months

I'm almost done with my toughest semester yet. I should totally be studying, but I already took the exam for my handest class. You know life is messed up

when your hardest case ear special reserving.

Anyway, hartes for reading. Also, all the only one who was talling Osuma to punch Klaus in the face? "Notica" "Notica" "Notica" case seems to such states in the face? "Notica" "Notica" "Notica" "Notica" the would have bed the to draw help case to the punched this case first in would have held the to draw.
